

Financial freedom is mental, emotional, and education process

let's talk about the WWW

- What is Financial Freedom?
- Why i took this topic?
- Who needs it?

What is Financial Freedom?

Having enough money to make decisionsor choices that you want to make.

Financial freedom usually means having enough savings, financial investments, and cash on hand to afford the kind of life we desire for ourselves and our families.

Financial freedom is much more than having money. It's the freedom to be who you really are and do what you really want in life.

Why i took this topic

Ol

All of us are getting job

02

Proper or less knowledge about financial management

03

Rumors and Lack of Guidence 04

We don't discuss our finance with others as we don't know where to begin and what things to discuss

Rat Race

- If you want to break out of the Rat Race of life, the best way to increase your financial education is to play and then do.
- By doing not thinking.

Defination

a way of referring to the situation in modern society in which people compete with each other for money and power:

According to Rich Dad

The poor and the middle class revolves around a pattern – the pattern of; getting up, going to work, paying bills; this cycle repeats over and over again and this is what he refers to as the Rat Race

How Robert kyuski intrprets the rat race

The vicious cycle we learn from a young age that the only way to get ahead is to go to a good school, get a good job, and work harder and harder to try and get ahead.
